## Mt. Abram Ski Slopes Offer New Attractions for Season's Opening

Located on black road only a mile and a half from Route 26 at Locke Mills, the Mount Abram Ski Slopes have the prospects of a busy opening season. This project has been attracting the attention of travelers since last spring as the cleared slopes and the path of the lift line are seen from the heavily traveled highway.

To be ready for use this season are a 1000-foot T-bar lift with trails leading to slopes of 1200 and 1000 feet; a 1200 foot toboggan and sled run; and a 60x130 foot skating rink. Nearby is ample parking space and a commodious 78x28 foot ski lodge with complete accommodations and cafeteria.

Development of this winter sports area is carried on by the Cross Brothers—Stuart, Donald and Norton—of Bethel on one of their timberland properties. Visitors during recent weeks are enthusiastic over the entire project—its complete offering for several sports and location so readily accessible. A skiing instructor will be an important factor in the Slope's personnel.

Season rates are planned to be attractive for all interested, at \$100 per family, \$40 for adults, \$30 for high school students, and \$20 for children under 14 years.

### PIGMEY FELLOWSHIP

A regular meeting of the Pigmeay Fellowship, 30, was held at the Congregational Church, Sunday night at 8:00. After the worship service, the members discussed the response which was to be given to the O.C.C. meeting in Watford.

We also talked seriously of taking a trip at the end of the year. The destination will be decided upon later.

The P.F.'s large project this fall is the annual Sadie Hawkins Dance, which will be held Friday night, Nov. 18, in the William Bingham Gymnasium. An official theme was chosen "Party, we're not telling yet!" as well as committees to plan the best dance of the year.

The officers this year are: President, Bonnie Eames; Vice President, Louise Kennedy; Secretary, Norma Jean Kimball; Faith Chairman, Sylvia Smith; Action Chairman, Marijane Brown; Fellowship Chairman, Norma Jean Sloan.

This Saturday, Oct. 15, is our annual Work Day for Christ. We do such odd jobs as raking leaves, running errands, or maybe cleaning attics. The money we receive is given to some special area of Christian work beyond the local church. Respectfully submitted, Norma Jean Kimball.

The Bethel Bluebirds met at the home of their leader, Beatrice Felt with eight members present. We had election of officers as follows: President, Mary Lowell; Vice President, Betsy Foster; Secretary, Linda Felt; Treasurer, Pam Douglas; Reporter, Darlene Merrill; Flag Bearer, Carolyn Roberts; Cheerleaders, Sylvia Kimball, Cathie Felt. Prize ribbons and projects that were displayed at Fryburg and Norway Fairs were given out to the members. Refreshments of peanut butter and crackers were served with milk. Club Reporter, Darlene Merrill.

This cross-section tells the story...

... soil-cement pavement grows stronger year by year!

Proved again—soil-cement holds up like no other low-cost pavement, delivers many years of dependable service.

Locally, 75% of soil-cement materials are free. Almost any soil, even old gravel and black-top, can be used. Mixed with portland cement and water, then covered with a thin continuous surface, it gives a long-lasting road at low cost. And soil-cement goes in fast. Over a mile a day can be built by well-organized crews using modern equipment.

Soil-cement is stronger inch for inch than any other paving material short of concrete. No potholes or soft spots. Low maintenance and long life stretch road budgets, permit long-range programming by engineers. It all means a better investment for taxpayers. Write for free literature on soil-cement, America's longest-lasting, low-cost pavement.

Gloria Williams, Gould Academy, has been honored for outstanding performance in the National Merit Scholarship Qualifying Test (NMQST) given last spring. Each student who is endorsed by his or her school receives a formal letter of commendation signed by his or her principal and the president of the National Merit Scholarship Corporation.

Edmond J. Vachon, the school's headmaster, has announced that Miss Williams, a senior whose home is in Skowhegan, Maine, has been so endorsed.

St. Ignatius at Gould Saturday. Gould Academy will entertain undefeated St. Ignatius (Sanford) here at 1:30 Saturday. The visitors have victories over Wells High, Traip Academy,

and last week defeated North Berwick, 65 to 6. They have been running up some high scores and it looks as though the Huskies will have to be up to their best defensively. The teams have not met a common foe, so it is hard to judge the relative strengths of the two clubs.

South Paris 14—Gould 12

Gould Academy showed surprisingly well against highly favored South Paris as both teams scored twice with the Cardinals winning by pushing over for two points after.

Neither team scored in the first half. Paris scored first as Thompson bucked over from the one yard line after a 76 yard march. Haley rushed the extra point giving South Paris a 7-0 lead at the end of the third period.

Successful passes by Scott Cummings put the Huskies deep in Cardinal territory.

After Parent carried to the one yard line, Cummings drove through center to score. The Cardinals, however, came back with an 85 yard march with Swan carrying 25 yards around end to score. Haley also swept around end to add the point after.

Gould countered for the final
